

CORPORATE PROFILE

Introduction

GABSON PROFESSIONAL SCHOOL OF SAFETY AND ENGINEERING LIMITED, a subsidiary of **GABSON GROUP** was established in 2012.

We are a wholly indigenous company with a broad focus for the oil & Gas Services Industry, Construction and Fabrication, Manufacturing industries. We have expertise in providing trainings and certification in Health, Safety and Environment, Quality Management, Welding and Fabrication, Building Construction and also engineering designs. With the rising need for technical, crafts and vocational development in the country in relation to economic and industrial changes, the Gabson Professional School of Safety and Engineering has aligned with the intentions of the NOGICD Act 2010 which through the NCDMB is to continuously transform the oil and gas industry and other associated industries by developing in-country capacity and indigenous capabilities of both local and international relevant standards to result in significant employment creation, technology transfer and acquisition, GDP growth and wealth creation.

What We Do

GABSON PROFESSIONAL SCHOOL OF SAFETY AND ENGINEERING LIMITED is equipped to train in all the chosen areas and runs courses to engage the public:

Design training.

Build and develop technicians.

Indoor and outdoor training.

Train and develop HSEQ practitioners.

Supply SHE personnel and SHE management system for companies.

We train qualified personnel for hire,

Design and develop facility management training.

Gabson Professional School of Safety and Engineering is a member of the OIL AND GAS TRAINING ASSOCIATION OF NIGERIA- OGTAN.

Picture clips below at the just concluded 2019 2nd Annual OGTAN ACE where Gabson Professional School of Safety and Engineering exhibited it's services.

GPSSE was well received by the Past President - GEN. YAKUBU GOWON, former Nigeria Head of State as our top ranking guest at the occasion with other major VVIP the NCDMB Directors, OGTAN President, Press crew, National Association Petroleum Exploration (NAPE) President and lots more.

We are Proud to be a major contributor to the LOCAL CONTENT DEVELOPMENT PLAN of the Growing Industries..

Gabson Professional School of Safety and Engineering is known to have one of the biggest welding and fabrication training workshops / facilities in Lagos and also in Eket, Akwa Ibom State.

We were chosen to provide skilled welding training for Nigeria as sponsored by the UNITED NATIONS through Lagos State Government and it's agencies.
